

liquid glue

gather materials

brush for the glue

work on a surface you can get glue on!

something thin and cylindrical to wrap the fabric around

this will determine the size of the bead hole

STEP 2

cut shapes

play around with the scraps you have!

STEP 1

STEP 3
spread glue

brush a THIN layer along the SEMP

STEP 4
wrap heads

wrap tightly...

... and finish with a thin layer of glue

STEP 5
let dry

... AND HAPPY CRAFTING!

HOW TO USE SCRAP FABRIC
